

TRAILS

MAZATZAL WILDERNESS

There is a network of some 240 miles of “system” trails serving the Mazatzal Wilderness Area and contiguous areas. Their condition varies from satisfactory to very poor. All trails are closed to motor vehicles and mechanical transport such as bikes.

Use a great deal of caution when traveling on backcountry trails such as this one and be aware of the risks you assume.

A few brief comments are in order about the following trail:

Rock Creek Trail 42: 3.7 miles in length. Very scenic trail but with very steep grades. Not recommended for horses. Elevation: 3,980 - 7,080 feet. Termini: Trail 23 (near Hopi Spring), and **Red Creek TH** (Forest Road 442).

No more than 15 people are allowed to be in a group. No more than 15 head of livestock are allowed in a group.
